GRIMSBY COUNCIL DEAL WITH ROUTINE MATTERS AT NOVEMBER MEETING

Regular Monthly Meeting Held in Town Hall Last Night — Many Motions Passed — Sale of Trees in Victoria Park Negotiated — Change in Garbage Collection Dates — Motions Passed Thanking Department of Highways and A. J. Haines For Co-Operation.

The town council held their regular November meeting in the town hall last night with the meeting dealing only with routine matters for the most part. Councillors Farrell and McBrien were absent.

A letter was received from the department of highways stating in part the proposed plans for the highway within the town limits. It was proposed that bridge be built at the three following streets, Paton, Maple and Ontario. Work would proceed on the bridges at Paton and Maple leaving Ontario street open and then when those two bridges were finished work on the Ontario Street bridge would be started. It was decided to request two or three engineers from the highway to meet the council in the near future and explain the highway plans to them.

A motion was passed that thirteen walnut trees in Victoria Park be sold to V. T. Mundell, Niagara Falls, N.Y., for the sum of \$350. Mr. Mundell was notified immediately by telephone. He proposes to carry away the trees bodily including the roots.

At the unanimous decision of the council it was decided that the next meeting be held on December 15th.

A motion was passed that the treasurer be authorized to pay to the Perpetual Care Fund of the cemetery the sum of \$500 in November, 1937 and \$500 three December 15th, 1937, as payment on the loan of the Perpetual Fund to the town. Mr. Lothian voted against the motion but the motion was carried.

Short Weight of Bread
The Mayor reported that several people had complained to him regarding the short weight of bread sold. Reeve Johnson commented that it was up to the chief of police to check on the weight of bread.

Councillor Laing inquired if anything had been done about the Saturday night disturbance on Main Street. The Mayor replied that both police officers were still on night shifts.

Assessment Appeal
Reeve Johnson reported on the progress of the Assessment appeal being heard in St. Catharines. The town of Grimsby was heard Monday. The evidence was presented by Harrison Arrell, Cayuga, representative of the town, in a brief manner. He submitted as evidence valuations of Grimsby town property made by Edward Mannel, P. E. Wilkins and Herbert Copeland which were pretty much alike in totals and rested his case on these facts. The three valuers answered questions from the stand explaining their methods. Reeve Johnson stated that they were all sorry that there was such a delay. "We don't know where we are at," said Reeve Johnson, "but my guess is that Grimsby reports will be fairly well taken."

Councillor Bull inquired about

Public Schools, Banks Closed

Legal offices and banks, together with the Grimsby Public Schools, are remaining closed today in commemoration of Armistice Day. The High School, however, will carry on as usual, with the exception of a memorial service in the school auditorium at 11 o'clock, to which parents and their friends are invited. Rev. R. B. Ferris, of Trinity United Church, will be present and give an address in keeping with the spirit of the day. In keeping the High School open, contrary to other years, Principal P. V. Smith, in a letter to the parents, explained that owing to considerable time having been lost at the beginning of the term, it was felt necessary to continue studies throughout the day.

Remembrance Day Parade and Service To Be Held Sunday

Parade Will Form at Independent Building at 2:30 — Service at 4 O'clock in Moore's Theatre — Soldiers Graves to be Decorated.

The Remembrance Day Parade will be held this Sunday starting at two-thirty (2:30). Members of the West Lincoln Branch, Canadian Legion, veterans and over-seas nurses, will form up at the Independent building at that time. The parade will be led by the Grimsby Band and will move off sharply at two-thirty towards the cemetery.

Arriving at the cemetery, a halt will be made just inside the Memorial gates to allow for the placing of wreaths on behalf of the Province of Ontario, the town of Grimsby and the township of North Grimsby by officials. The parade will then move on to the Veteran's Plot in Queen's Lawn Cemetery where the soldiers' graves will be decorated and a short memorial service held.

The parade will return to Moore's Theatre for the annual Memorial Remembrance Day Service.

All over-seas nurses and returned soldiers are asked to be present. Dress will be arm-bands, berets and medals.

Memorial Service
Rev. I. B. Kaine will be chairman of the Memorial Service, which will start at four o'clock. The service will open with a hymn, "Oh God, Our Help in Ages Past". Then Rev. H. Merritt will give a short scripture reading followed by the hymn "O Valiant Hearts." Rev. R. B. Ferris will give the principal address and Rev. J. A. Ballard a prayer. Then the Roll of Honour will be called and the Last Post sounded. The service will conclude with singing of the hymns, "Onward Christian Soldiers" and "God Save The King."

The service is under the auspices of the Lincoln Loyalist Chapter, I.O.E., and the West Lincoln Branch of the Canadian Legion.

Memorial Day At Beamsville

Veterans To Parade At Ten O'clock — Memorial Service At Cenotaph At Eleven.

The returned soldiers of this district will take part in the Remembrance Day Services held in Beamsville to-day under the auspices of the Canadian Legion of the British Empire Service League. The veterans will fall in at 10 o'clock at the town hall, Beamsville and parade to the cenotaph where they will place wreaths and a Memorial service will be held.

Rev. A. DeRose will give the address and Rev. C. A. Flook, Rev. F. W. L. Brailey, Rev. H. W. Wright and Rev. E. F. Maunsell will take part. Two minutes' silence will be observed at eleven o'clock. The Roll of Honour will be called by Col. W. Andrews and wreaths will be placed on the cenotaph by the widows and mothers of fallen men, West Lincoln Legion, Women's Institute, I.O.E., and by citizens and other organizations.

The penny weighing machine which was in front of Millyard's Drug Store was stolen sometime during Tuesday night.

Memorial Day November 11th

If I could place a rose upon your grave
Or drape a flag about its wooden cross,
Some measure of sweet comfort I would have,
And healing tears would help me bear my loss.

But under far-off skies you sleep, my son,
And if the poppies bloom above you now,
Some other hand has sown them, one by one,
As other fingers soothed your pain-lined brow.

Dear, I will seek a lonely grave today,
And in your name sweet blossoms I will strew.
Perhaps you'll pause, on your celestial way,
And gather my heart's offering to you.

RATEPAYERS MEETING

A meeting of the Ratepayers Association was held on Friday night in the Masonic Hall. Mr. James Wray was in the chair.

Mr. J. A. Curtin moved that another night be set for a ratepayers meeting and advertised, the meeting to be held on Friday, November 19th.

Arrangements were made to have a pianist and a soloist present at the next meeting. It was decided to send a letter to the Business Men's Association asking that they co-operate with the ratepayers.

POPPY SALES

Poppy Day was held in Grimsby last Saturday and the response was most generous. The West Lincoln Branch of the Canadian Legion wish to thank the high and public schools and all those who so generously contributed to the Poppy Day fund. The West Lincoln Branch also wish to thank the boys and girls for their assistance in the sale of poppies.

The complete statement of the sale of poppies will appear in next week's Independent.

MORE PRIZES TO BE ADDED IN GRIMSBY SHOPPING CLUB

10,000 FREE VOTES FOR NEW ENTRIES—REGISTER SATURDAY

Next Saturday, afternoon and evening, new entrants in the Grimsby Shopping Club competition, and all contestants who have entered to date, will receive 10,000 Free Votes by registering at The Independent Office.

Several Contestants Now Entered — 10,000 Free Votes For New Entries This Week — Contestants Requested to Call at The Independent Office Next Saturday.

This week more contestants have entered the field for the cash prize awards given to those who turn in the most votes during the Grimsby Shopping Club competition.

Prizes to be Added
The success financially of this Shopping Club and the results acknowledged by Club members proves, without doubt that it has stimulated cash buying among the stores who are co-operating in the plan. In fact, it is this success that prompts us to add to the original prize list, and from now to the close of the campaign the interest is sure to increase week by week.

Water Commission Informed Highway To Install All Pipes
Highway Department Will Restore Water Main Affected by Right-of-Way—Total Cost to be \$8,500 — Heating Discussion.

At the Water Commission meeting Tuesday night, it was announced that the Highway Department would assume the total cost of installing the new water mains in that part of the water system that is effected by the right-of-way of the new highway. The total cost of this work will amount to \$8,500 of which \$4,672 will be allowed for labour and the balance of \$3,828 for material. The work of ripping up the present pipe lines has already been started and ten men were put to work yesterday on the undertaking.

The commissioners expressed themselves as being very satisfied with the arrangements and stated that the department had met all their requests. It will cost approximately \$150 to take out the old pipes and then the old pipe can be sold at a profit.

Commissioner Wells impressed on the engineer, William Smith, that he must be careful to keep his time sheets, etc., in perfect order for this big job. Mr. Smith showed Mr. Wells his system of book-keeping which was declared satisfactory by the Commissioner. Work is now proceeding on taking up the main on Robinson Street.

J. P. Bell Speaks To Service Club

Meeting Will be Held on Tuesday, November 16th in Parish Hall at Eight p.m.

The Men's Service Club of St. Andrew's Church will hold its first monthly meeting of the season in the Parish Hall on Tuesday evening, November 16th, at 8 o'clock.

The speaker for the occasion will be Mr. J. P. Bell, the former manager-in-chief of Hamilton Division of The Canadian Bank of Commerce, who is well known in the community. The basis of Mr. Bell's address will be a trip which he has recently completed to China and the Dutch Indies which, in view of the present conflict in the orient, should prove of unusual interest. There will also be musical attractions.

The attendance for the occasion will not be restricted to the members of St. Andrew's Church but men from other congregations will be welcome.

All those saving coupons and intending to enter the contest must turn in their votes and make entry not later than next Saturday night.

Special Prize Winners
Miss Helen Bonham and Mrs. J. Mitchell won the first special prizes for most coupons deposited up to Monday night.

The same prizes, \$2.00 first, and \$1.00 second, will again be given for most votes deposited up to next Monday night.

Notice to the Public
The buying public are urged to look over the list of contestants and whether you have been solicited to save votes or not, pick out someone you would like to help and patronize the Club merchants.

Read the advertisements in The Independent and patronize the Club merchants for better values.

Funeral Director Adds New Hearse

The Stonehouse Funeral Home has recently added to its equipment by taking delivery of a modern side-servicing funeral car. This coach is specially engineered and carefully built to meet the requirements of the present day funeral car and has been designed along lines in keeping with the public preference of our time. Its practical side-servicing walnut casket table features a design that has recently been constructed by a company that is this year celebrating its diamond jubilee as hearse manufacturers.

GOVERNMENT REFLECTS THE PEOPLE

Many cities and towns will hold their municipal elections within a few weeks. In these contests, the kind of government which a municipality has reflects the character and civic spirit of its inhabitants. They can not lay off their municipal troubles on outside forces.

If they have good government, they accomplish it by their own judgment and efforts. If the government is wasteful, and if wrong things are tolerated, it does no good to denounce their public officers. The citizens are to blame themselves for placing such officials in power.

OBTAINING NEW INDUSTRIES

People often ask how towns can obtain new industries. One way they do it is to provide quarters where manufacturing can be carried on efficiently. It is apt to be difficult to persuade a concern to move into a place, if it has to build its own plant.

The town that has quarters adapted for manufacturing which can be rented for a reasonable figure, which advertises these opportunities, and writes letters to concerns that contemplate moving or starting new enterprises, is the one that is apt to get them. That is where the work of a Chamber of Commerce or business men's organization is needed, and should be well supported, to seek after and follow up such chances.

THE POSSIBILITY OF PROGRESS

In almost any town that could be named, there is a possibility of growth or progress. Perhaps if a town was built around some great natural resource that gave out, the above might not be true. But it is true that in most places, the development of the community depends only on the possession of initiative and energy on the part of its inhabitants. If they work together in an intelligent way, they can make and sell things, and when they do that efficiently, they draw in people to help their efforts.

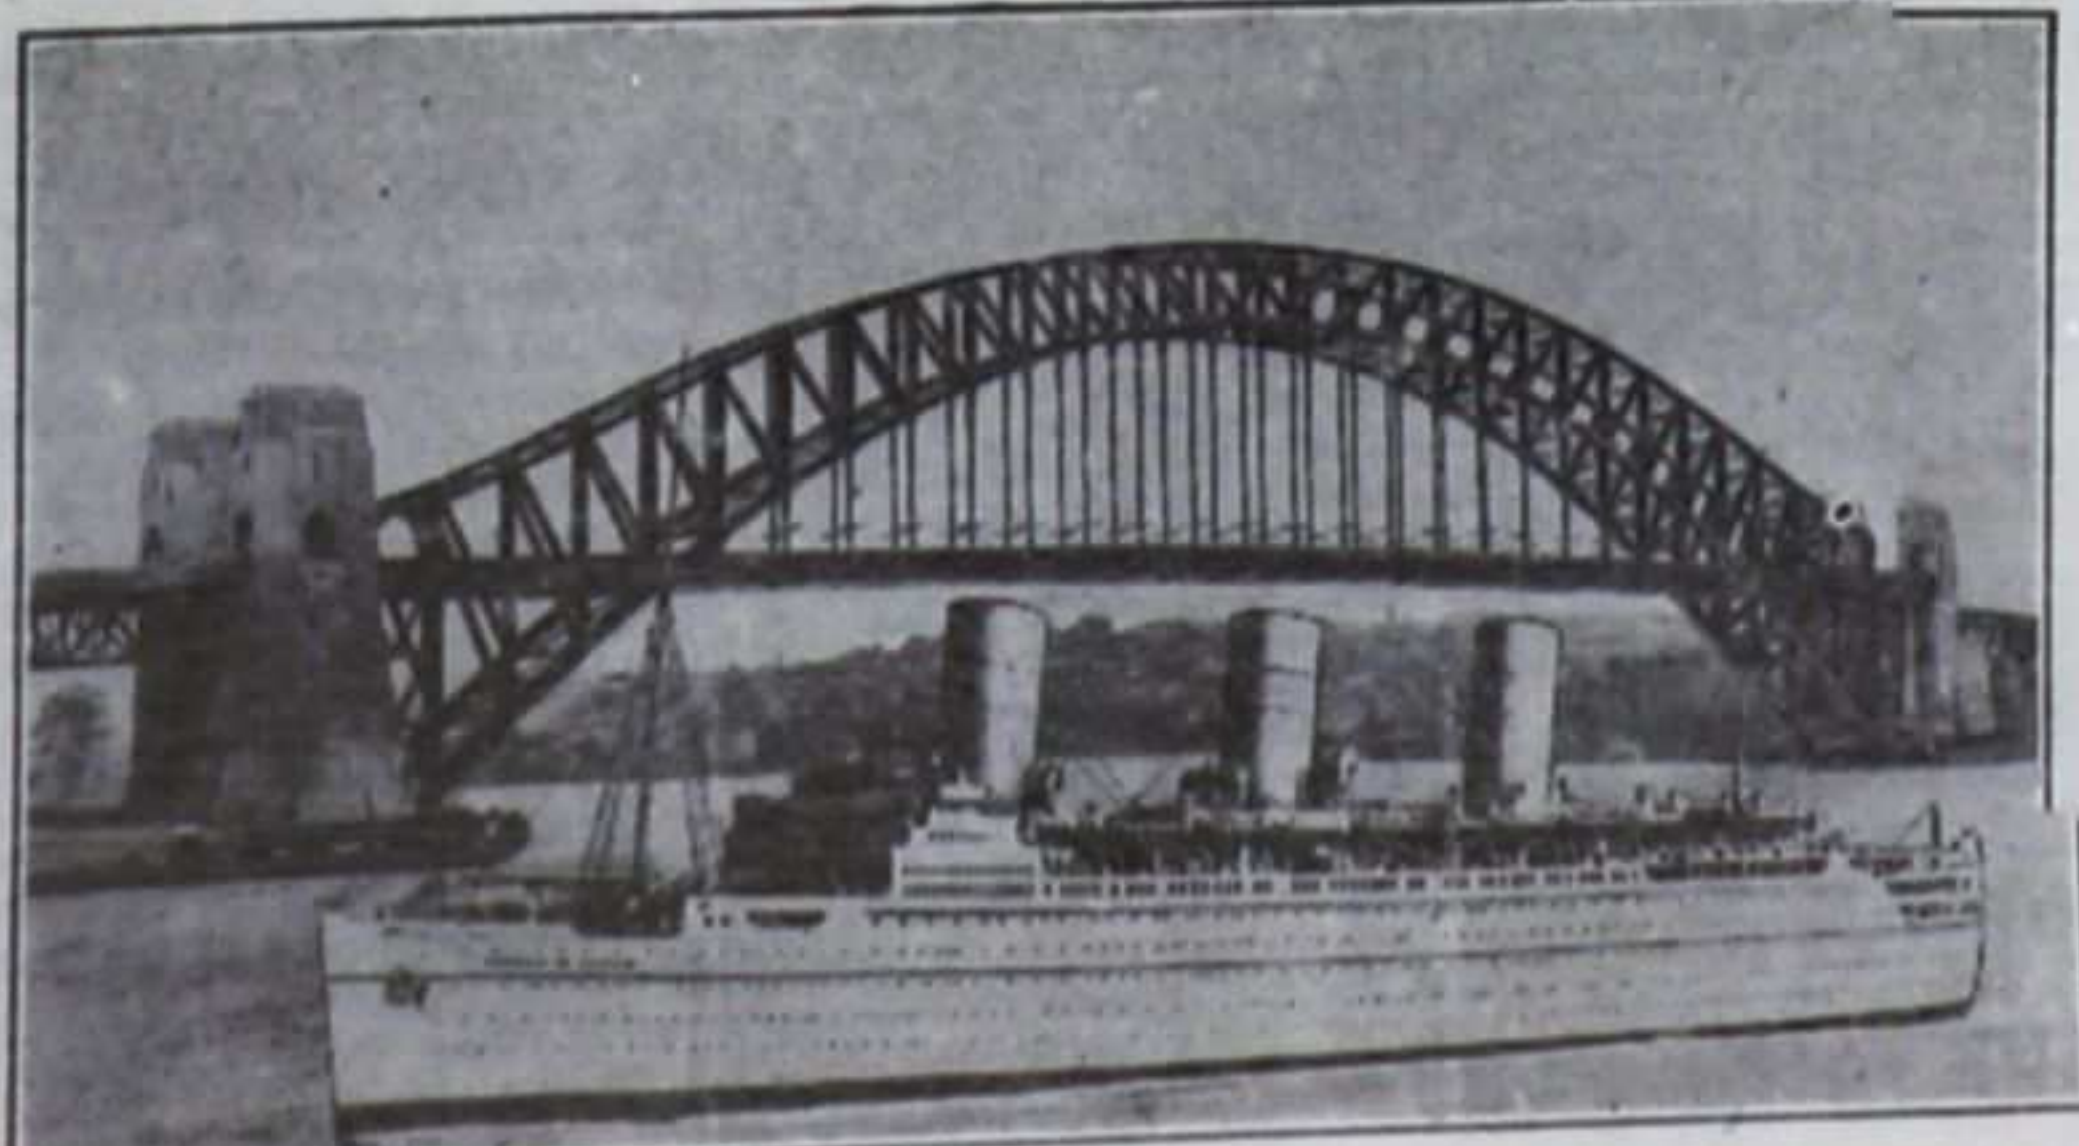

Every town should consider the things it could produce or make, and then try to think up methods for producing them better or cheaper. A town that can do those things is going ahead.

DYING FOR THE COUNTRY

People cherish life as their dearest possession, yet when war comes patriotic fervor is so high that people seem ready to die for their country. That spirit was everywhere evident in our army during the World war. The wars in China and Spain have been full of it. The Chinese soldiers seem particularly heroic, and many groups of them have embarked on enterprises which they knew were fatal, and in which they cheerfully resolved to give up their lives.

A group of such soldiers were recently resolved to die rather than give up the warehouse in Shanghai, which they had determined to hold until the last. They were finally ordered to quit, as their lives were too valuable to their country. Their spirit of sacrifice tells the world there are things more valuable than life.

Editor's Vision To Be Realized on World Cruise

The above picture showing the Empress of Britain and Sydney's great harbor bridge represents the dream of an Australian editor, who in making the composite picture from separate photographs at the time the bridge was opened could not have known that the Empress would ever visit the port "down under". Captioned "Splendid Empire Achievements" the picture showed the greatest single-span bridge ever built within the Empire and the ocean liner which, launched

a year previously was, at the time, the largest ship built in the Empire since the war. Now comes the announcement that the Empress of Britain will visit Sydney during her 1937 Round-the-World Cruise, and with it the realization that, when the ship is there next April, at least one editor's dream will have come true.

Not only Sydney will be visited while the big white liner is in the Antipodes; she will also take her cruise members to Melbourne and to the New Zealand ports of Wellington and Auckland. Her cruise starts from New York January 8 and will end there on May 16. Until heading for Australia she will follow the usual world cruise course.—Madeira, Gibraltar, Algiers, Naples, Athens, Palermo, Egypt, India, Ceylon, the Straits Settlements, Siam and Hong Kong. Leaving New Zealand she will go to the Fiji Islands, also new territory for her World Cruise, Honolulu, San Francisco, Los Angeles and the Panama Canal Zone.

THE MOST POPULAR BOOK

What is the world's most popular book? Some people might think it was some sensational story of crime, love, or adventure. One of the best tests of a book's popularity is the number of languages into which it has been translated. If a book has been rendered into a score of different tongues, it would be considered to have a remarkable record of popularity.

The Bible has been translated, as a whole or in part, into 991 languages. That holy book does not try to make itself popular by flattering people. It denounces the sins of which all are guilty, and yet people love it. If the people would only rule their lives by the principles found in this book, wars would cease, life would be calm and well rewarded, and everyone would be comfortable.

THE INABILITY TO WAIT

Some people get fussy and impatient if they are forced to wait and take their turn in some store or office. If there is only one person to care for the needs of each of three or four people who want to buy or ask attention, what is the harassed clerk to do?

People will see plenty of that in almost any town when the Christmas rush comes on, when there may be several customers for every one employed to attend to them. Some people will perhaps growl, but if the sales forces in stores and offices were so increased that there would be no waiting at any time by any customer, the cost of running these places would be greatly increased, and things would cost more. People must learn to be patient in the contacts of daily life.

Editorial Notes

The popular idea of reforming the taxes, is changes that will make somebody else pay them.

Plenty of people are "telling the world". Not so many are telling things to themselves (they need to know).

Some people say they enjoy taking long walks. They might try going around and trying to collect some money.

Many young men say they are ready to take on the burdens of matrimony if they can find a girl with plenty of money.

For every one concern that lost money by excessive advertising, there are twenty which have lost by not advertising enough.

The girls say they have to "pet" because the boys demand it, and the boys say they have to, because the girls turn them down if they don't.

The popular theory of how to keep the home place looking nice about now, is to wait for the wind to blow off the fallen leaves on some neighbor's land.

People should not be so busy that they don't have time to talk. Also they should not talk so busy, that their listeners don't have time to get away.

Someone asks what is included among the perishable foods. Father will say that most any kind of food seems to perish very quickly in any family having children.

Someone asks what constitutes a "problem child". In many cases it is a child whose parents are only interested in the problem of having a good time for themselves.

Lack of confidence is reported to be the main trouble with the country. At least the folks who are trying to get someone to lend them \$5 over the week end will agree to that.

If people would only show the same speed in paying their just debts that they do in driving their automobiles, a dead weight of slow and idle resources would be taken from the community's back.

Good humor is a magnetic thing, and people follow after it. If a salesman seems cheerful, it is a sign that he is a good salesman, that he is well informed about his goods, that he will take extra trouble to please customers, and will be patient with their doubts and hesitations. That is the kind of person with whom the public likes to do business.

SCOTT'S SCRAP BOOK

By R. J. SCOTT

BEHIND THE HEADLINES IN OTTAWA

By Dean Wilson

The recent dramatic collapse of the stock markets throughout Canada has shown to Ottawa that the man on the street in this country does not realize that there is a direct relationship between Wall Street and the Canadian stock markets, and also between these business indicators and the general economic and industrial life of this Dominion.

The vast majority of the people of Canada are not interested in Wall Street or any other stock markets for one reason or another, but mainly because they have no money invested therein. Yet, it is a fact that a great collapse on these markets may have extremely serious reactions in the business life of the land as was witnessed in the famous crash of 1929 which inaugurated the depression that is regarded by some well-known Canadian economists as the worst in the history of this Dominion.

Now the question is raised by everyone whether the recent market crash and present nervous state of these enterprises is not an indication that Canada is on the threshold of another great economic depression, and this is a problem that has divided the experts into two distinct camps. One group is extremely optimistic over the whole situation, while the other is very pessimistically inclined.

The optimistic experts state that the depression which started with the big market crash in 1929 is gradually releasing its strangle hold, and since 1934, all business has been definitely progressing on the road to complete recovery. The pessimistic group allege that any signs of recovery that have appeared since 1929 were directly due to artificial means employed by the various governments throughout this Dominion, particularly by efforts in using material and men for building public works and by encouraging the export of materials that are needed by the other nations of the world who are preparing themselves for any eventual warfare, but that the depression of 1929 has never passed away.

Therefore, everything boils down

to one question. Is Canada on the threshold of another great depression? Business leaders throughout the Dominion answer yes and no.

Most of the rash statements issued lately are without any foundation, and the high officials in Ottawa disregard them completely. But a few factors have been partly responsible for this crisis. It is true that certain basic industries are weaker this fall than for several months. It is true that businesses which are catering to luxury lines are poor. It is true that the Far Eastern conflict has dropped the amount of export trade to that section. It is true that automobile trade, railway business, and building activity, is much slackened up in recent months. But in general there is no fundamental reason that everything is due to bad business, though it is quite likely that bad business may result from the nervous and strained stock markets throughout the country.

Other Editor's Viewpoints

"SOMETHING OUGHT TO BE DONE"

Perhaps you've heard the words in the heading before. They belong to the individuals who are great on reform but short on fulfillment.

There isn't a doubt that in every branch of community activity there are needed changes. It's generally admitted none are perfect. There should be something done about them and improvements made. But that is the negative way of helping. It requires real practical suggestions, backed by real practical, ordinary every-day work to bring about the changes that reformers desire. It's not the indefinite "something" but the very definite "what" that really brings improvements about. "Something" requires no thinking or exertion, but "what" takes power and effort.

FRUIT IDENTIFIED

That odd fruit that was described in last week's issue of the Independent was identified on Thursday night by David Fisher, fruit inspector for Grimsby. The fruit turned out to be a wild variety of the osage orange. It is the fruit of a hedge which if left to grow will gradually become a tree. It is in the tree stage of the plant's growth that it bears this peculiar fruit.

On Monday Mr. A. Ambrose, John Street, brought another of this fruit into the Independent office. This fruit is slightly different from the first but is apparently of the same species. Mr. Ambrose found this oddity along with three others at the junction of the Sixteen road and highway twenty.

Away Back When

By FRANK FAIRBORN Jr.

NOVEMBER, the one month in the year, that will always be a reverent one in the hearts and minds of Canadians. For it was on the 11th day of this 11th month at the 11th hour, that the gladsome bugle notes of "Cease Fire", echoed o'er the poppy fields of France and Flanders and re-echoed 'round the world—Armistice Day. Many other notable events in Canadian history have also occurred in this month, during the past 137 years, 1800-1937.

1806—22nd, First issue of LeCanadien, first wholly French newspaper; pop. Upper Canada 70,718; Lower Canada 250,000; New Brunswick 35,000; Prince Edward Island 9,676; Nova Scotia 65,000.

1809—4th, First steamer ran from Montreal to Quebec.

1813—11th, Defeat of Americans at Chrysler's Farm (Lundy's Lane). British troops stormed Fort Niagara and burned Buffalo.

1829—27th, First Welland canal opened; McGill University opened; Upper Canada college founded.

1837—23rd, First gas lighting used in Montreal.

1838—1st, Lord Durham, then Governor, censured in British parliament, resigned; pop. Upper Canada 339,442; Assiniboia 3,983; Nova Scotia 202,575.

1847—25th, Montreal-Lachine railway opened.

1849—14th, Toronto made capital of Upper Canada; Vancouver Island granted to Hudson's Bay Co.

1857—26th, J. A. Macdonald-Cartier administration takes office.

1866—17th, Proclamation of the union of Vancouver Island with British Columbia.

1867—6th, First meeting of the first Dominion parliament.

1869—19th, Deed of surrender to the Crown of the Hudson's Bay Co's territorial rights in the Northwest; outbreak of the Red River Rebellion under Riel.

1873—6th, Sir John A. Macdonald resigns first Premiership and Government of Canada; 7th, Sir Alexander Mackenzie sworn in as Premier of second parliament; 8th, incorporation of Winnipeg.

1877—(Missed from October column) First exportation of wheat from Manitoba to the United Kingdom; founding of University of Manitoba.

1885—7th, Last spike of C.P.R. main line driven at Craigellachie, B.C.; 16th, execution of Riel; 30th, Jas. A. Livingston assumes complete control of The Independent, destined to become Ontario's leading weekly newspaper.

1914—5th, War declared with Turkey; Old Contemptibles held the lines at Mons, the salvation of the world.

1915—Orders received from the Militia Department authorizing the formation of the 98th Lincoln and Welland Batt. "B" Co. under Major W. W. Kidd and Capt. R. H. Moxley, was allotted to Grimsby. It was the crack company of the unit. I would like to see some one more capable than myself, write a complete history of that company and have same preserved in the badly needed vaults of the municipal offices. It is a record few towns can lay claim to.

1918—4th, Austria-Hungary surrendered and signed Armistice; 11th, Germany surrendered and signed Armistice. MONS CAPTURED. Let us remember that it was the Mons line that "held the works" in 1914. The Old Contemptibles—The Canadians captured Mons on this date four years later and "stood to" there when the orders to stop hostilities came thru. 58th Batt. which contained plenty of Grimsby and district boys was in there, and held and kept what the Old Contemptibles set up there as the mark to shoot at.

1920—15th, First meeting of League of Nations at Geneva, Switzerland.

1925—20th, Peaceful death of that beautiful, wise and faithful Consort of King Edward VII, the Queen Mother, Alexandra.

1926—Imperial Conference in London; 26th, C. Vincent Massey appointed Canadian Envoy to United States.

1927—First Dominion-Provincial Conference on the relations between the Dominion and the Provinces.

1933—2nd, Provincial election in British Columbia. Conservative administration under S. F. Tolmie, defeated. Liberals under T. D. Patullo elected. Mr. Tolmie died last month. Mr. Patullo is still in power.

1935—2nd, Lord Tweedsmuir assumed office as Governor-General.

TELEPHONE TALKS IN THE WATSON FAMILY

"Yes, Mary... and Tom's fine, too."

Old Mrs. Watson lives with her son Tom. Yet her only daughter Mary, miles away, is with her too, for Mary, though old-fashioned in many ways, is definitely telephone minded and never fails to call her Mother on Long Distance at least once a week—an inexpensive and supreme pleasure for both of them. As Tom Watson puts it, "though our family's scattered, we're never really far apart—with the telephone."

Are you acquainted with the comfort, convenience and low cost of Long Distance?

The WOMAN'S LOOKOUT

By CLAIRE BURNS

WE LIKE CHURCH SUPPERS—

AUTUMN—with its falling leaves and first snowflakes—brings us around again to those annual church suppers which we like so well, where great long tables are spread with the very best examples of the culinary art of our worthy ladies. Here we are assured of a good time, not to mention an over-stuffed feeling brought on by the insistence of the ladies to have just a little more chicken or some more potatoes and gravy or some of these lovely vegetables and salads. Then comes the greatest array of pies that we could possibly find anywhere gathered together at one time. Every lady has brought her masterpiece and you feel as if you would love to sample every one. "Won't you just have a little more coffee, with your pie?" And you squirm around and decide maybe you could make just a little more room. Now if you could just stretch out on a nice comfy chaise longue instead of sitting through a long program—but the minute the chairman calls out the first number you listen with such complete enjoyment that you forget how uncomfortable you were awhile back and pretty soon you are feeling quite normal again. As the program draws to a close you are reluctant to leave this place of hospitality and genuine friendship where everyone has a jolly time meeting everyone else.

If we didn't have these church suppers we would lose a certain happiness we look forward to in the fall and one which brings together not only the members of one denomination but of many. We need more fun and happiness in our lives and these suppers abound with that spirit. So let us all patronize these affairs, not only for our own enjoyment but to encourage those hard-working ladies who spare nothing to send us away with a happy feeling of good will, and at the same time lend our support to the religious life of the community.

MENU HINT—

Fruit juice, meat loaf, baked sweet potatoes, baked acorn squash, moulded tomato salad, junket ice cream, date ginger cake, Coffee.

The ice cream is made with a commercial mix, which is easily made. Junket is used to make simple milk desserts which are especially good for children. You should investigate the fruit juices that are being put up commercially nowadays. There are so many, and they are so delicious that they deserve to be served often. The nectars from California are especially good.

TO-DAY'S RECIPES—

MEAT LOAF—Have two and one-half pounds of beef or veal ground with one-fourth pound of salt pork. Season with salt, pepper, green pepper and an onion ground. You can moisten with tomato juice, if you like, or with an egg, and add one-half cup ground bread crumbs. Bake one and one-half hours.

DATE GINGER CAKE—Four tablespoons fat, one-half cup sugar, one egg, one-half cup sweet or sour milk, one-half cup molasses, one-half cup nuts, one cup cut dates, one teaspoon cinnamon, one teaspoon salt, one-half teaspoon soda, one and three-fourths cups flour. Cream the fat, add the sugar gradually, add the egg and beat well. Mix the molasses and the milk. Mix and sift dry ingredients, add alternately with the liquid to the creamed fat and sugar. Add nuts and dates. Bake in a moderate oven 30 to 45 minutes.

HOUSEHOLD HINTS—

To drive a nail into plaster without marring the wall and crumbling the plaster, place the nail in hot water for a few minutes, or dip it in melted paraffin.

To test an egg for freshness place it in a pan of water. If fresh it will lie on its side; if a few days old it will tilt upward; if stale it will stand on end; if very old it will float.

Before washing a man's ties, baste them carefully to prevent the lining or padding from becoming lumpy. Remove the basting before ironing and the ties will look like new.

To remove the socket of an electric light bulb when the glass has broken off, press a large cork firmly into the socket. This will enable you to unscrew the metal part.

To remove a broken cork which has slipped down into a bottle, pour in enough household ammonia to float the cork and let it stand for a few days. The cork will break into fine pieces, which can be removed without difficulty.

ACCESSORIES SPOTLIGHTED IN STYLES BEING WORN

DRESS IS MERELY A BACK-DROP

Suede belt worn with afternoon dress which has fan-shaped buckle with gold trim.

By LISBETH

ACCESSORIES seem to have taken the spotlight away from the more important articles of dress—if anything could be more important. Attention today is centered on hats, belts, scarfs, jewelry, etc. The dress or suit has become largely a back-drop for these decorative mediums.

As an illustration, take this young woman who is wearing a simply styled dress with high neck, long sleeves and side closing. The eye is held by the belt, which is of suede with a fan-shaped buckle with a dash of gold. It is by Belmo, American designer, and he has pleated the suede in the buckle, giving it an unusual touch. Next you notice the smart hat with its chin strap and graceful veil. And finally the gauntlet gloves with their fringed seams.

Evening Veils Worn
The sight of the veil reminds us of the evening veils which are being worn more and more this season. One pretty one that I observed, was attached to a narrow velvet circlet, was short and very sheer, and most attractive, and was worn by a young woman at a symphony concert.

Lanvin uses a net mantilla with panne velvet petals which match those scattered over the skirt of the black net gown with which it is worn.

SALLY'S SALLIES

The woman who is always talking about her rights may end by getting left.

Flat, brimlike arrangements of stiffened tulle veiling are used by Chanel with her evening gowns. Some times they are topped with bright feathers matching the motif of the dress.

For black lace gowns of Spanish inspiration there are mantillas with high combs and roses.

Sash Part of Skirt
And speaking of belts, as we were awhile back, a sash that ties softly in front and as part of a black velvet skirt is an attractive style which softens the usually abrupt division of skirt and contrasting blouse.

If the belt of a dress is not outstanding, the jewelry is. Massive jewelry is the rage right now, and the woman who has been trained to think many gaudy strings of beads or heavy chains and huge lockets and bracelets are not ladylike, must alter her ideas. Women must be veritable gypsies to look up to date these days.

POSSESSIONS

A chest of drawers, a cushioned rocking chair, Gay flowers, dishes, common earthenware.

These make one room for me a cherished home. Wherever near or far I choose to roam.

I see again the room beneath the eaves.

The chest beside the window flecked with leaves;

The rocker by the shining kitchen stove,

The wishes on a cloth that dear hands wove.

Loved faces greet me as in days long past.

Voices still linger in the spaces vast;

My little room is neither plain nor bare—

I have a chest, gay dishes and a chair.

—E. Lillian Morley.

Care of Children

— by —
SARAH EIN, R.N.

DIARRHOEA

Diarrhoea is a disease which very few children escape and which requires careful attention because it is the cause of a very large percentage of the deaths during infancy and childhood.

It is surprising how many children are attacked by this dreaded illness, which is especially dangerous to the life of the younger children who are liable to lack the strength and stamina to withstand the exhaustion which accompanies diarrhoea.

The main symptom is frequency in bowel reactions, but there are many other indications of this trouble such as fever, trouble with the food intake of an infant or child, peevishness and crossness, the tongue is furred, the mouth is sore, and often affected with thrush, vomiting of the food is common, the body wastes rapidly, the limbs get soft and flabby, and the skin itself becomes sore from the irritating acid motions.

It is apparent that it is the duty of every parent or other person who has charge of any child to guard against the ravages of this disease, and in no case should it be neglected in any way. If the cause is the food intake, it must be corrected promptly. The fault may be in the mother's health, diet, or habits, when it involves a feeding infant, or it may be the milk placed in a bottle which may not be properly sterilized. If it is teething, proper treatments are easily obtained. It may be wise to lessen the food intake for a time until the condition improves, or to substitute a little barley-water or weak arrowroot; but in severe cases milk should be entirely eliminated from the diet for a few days at least. The return to natural food must be gradual, and this should only be done when the bowel reactions show signs of normalcy, or when the curds and undigested foods disappear.

SHAKE WELL

There's a right and a wrong way to do almost everything—even the simple job of shaking a bottle. The right way is to grasp the bottle by the neck, with the bottom up, and give it four or five snappy shakes in the horizontal plane. This will do more to distribute sediments in the bottom of the container than a dozen shakes "up and down."

HEADACHE REMEDY

STARTS WORKING IN
SECONDS

THE REASON "ASPIRIN" WORKS SO FAST

Drop an "Aspirin" tablet into a tumbler of water. By the time it hits the bottom of the glass it is disintegrating. This speed of disintegration enables "Aspirin" tablets to start "taking hold" of headache and similar pain a few minutes after taking.

All people who suffer occasionally from headaches ought to know this way to quick relief.

At the first sign of such pain, take two "Aspirin" tablets with a half glass of water. Sometimes if the pain is unusually severe, one more tablet is necessary later, according to directions.

If headaches keep coming back we advise you to see your own physician. He will look for the cause in order to correct it.

"Aspirin" tablets are made in Canada. "Aspirin" is the registered trade-mark of the Bayer Company, Limited, of Windsor, Ontario. Look for the name Bayer in the form of a cross on every tablet.

GIRL GUIDE GUIDINGS

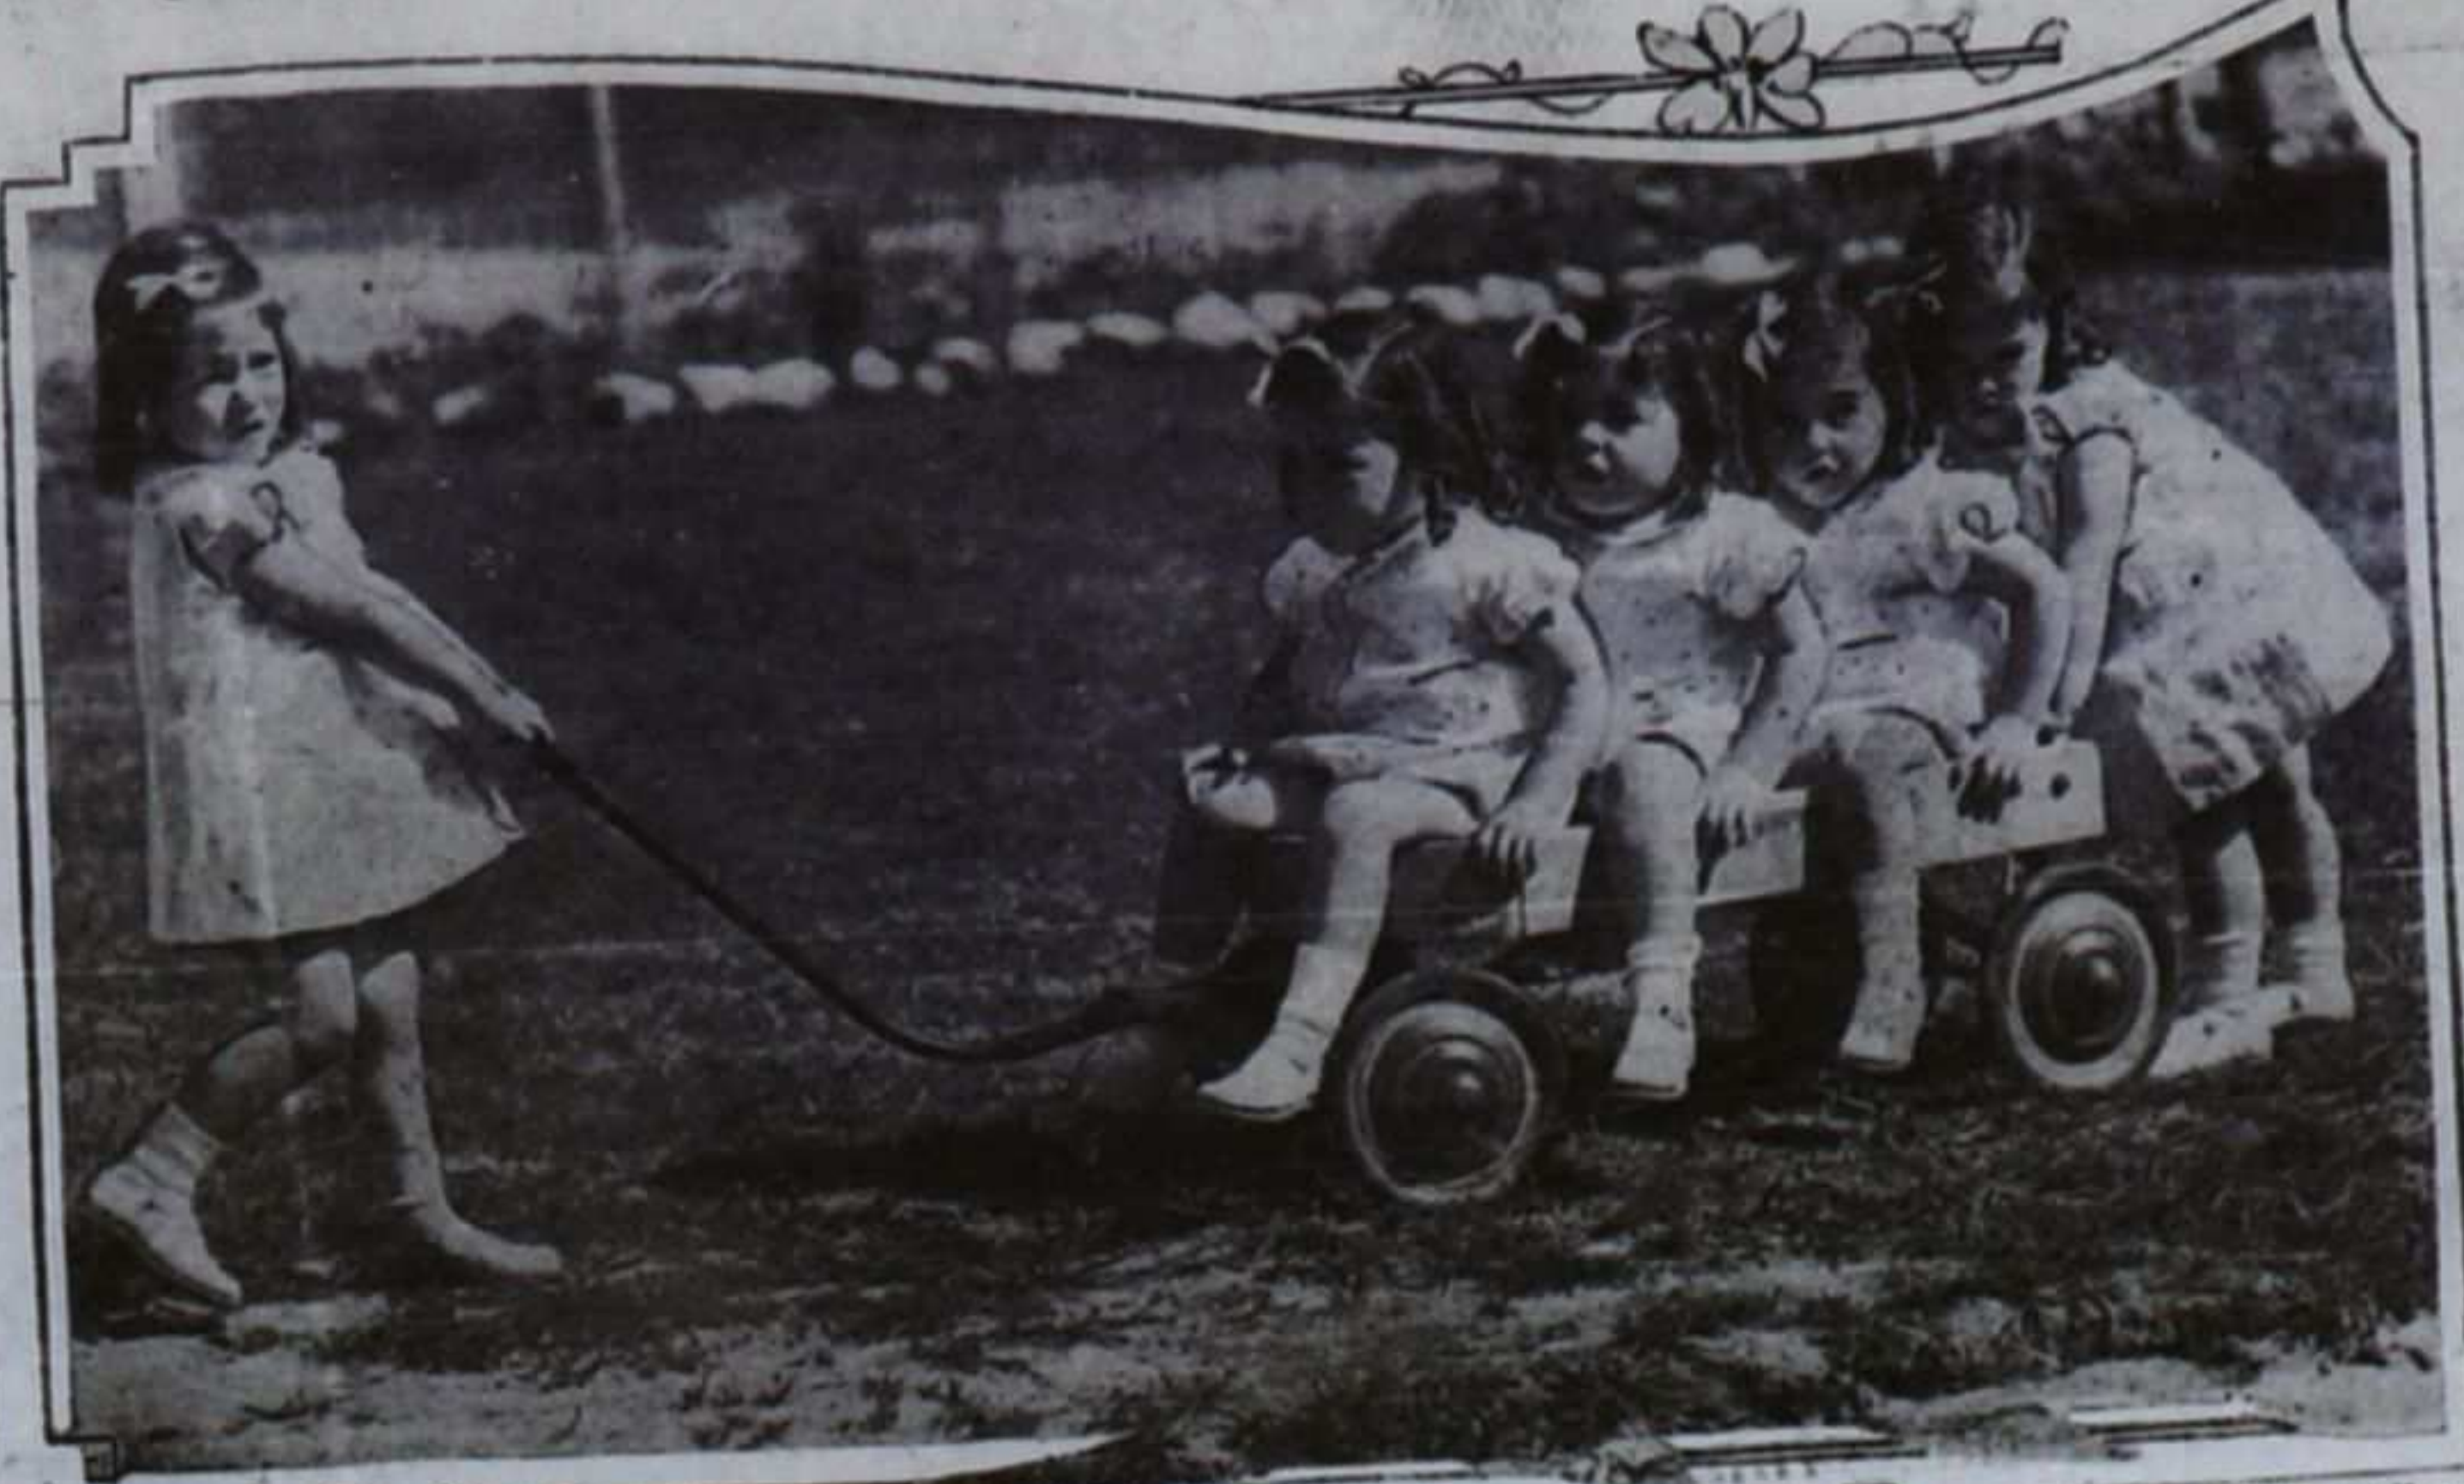

Hallowe'en Party
A very enjoyable Hallowe'en party was held by the Grimsby Girl Guides in the I. O. D. E. Hall last Thursday evening. Many games, suitable to the occasion, were played, and a delightful lunch was served. Miss Walsh, convener of the Girl Guides committee of Lincoln Loyalist Chapter, I.O.D.E., was guest of honour; and helped Miss Cullingford and Miss Scott to judge the costumes. The prizes were awarded to: 1.—Allyne Silver; 2.—Jean Pettit; 3.—Ena Ambrose.

After lunch, a vote of thanks was extended to Joyce Warner and Fern Smith, of the refreshment committee and to Jean Pettit for arranging the games.

Regular Meeting
On Tuesday evening, the Guides held their regular meeting. Business matters were discussed, and the Tenderfoot work was reviewed, after which a few interesting games were played. The meeting closed with the singing of Taps.

The 50th I.O.D.E. Troop of the Grimsby Girl Guides needs more recruits—so come on all you girls who would like to become Guides. The meetings are held every Tuesday evening at 7 p.m.

Quintuplet Finds Going Slow When Sister Doesn't Co-Operate

Though Cecile Dionne seems to be finding it difficult to pull the wagon containing three of her sisters, there seems to be little discontent on the part of the lone quintuplet. The wagonful of chubby quints. Emile, Annette and Marie seem a bit impatient at the snail pace and Yvonne apparently isn't helping Cecile very much. —Photo World Copyright.

Grimsby Beach

The Dorcas Bible Class of the Beach Community Sunday School met at the home of its president, Mrs. C. Tweney, Central Ave., last Thursday afternoon, there being a large number present. The meeting opened with prayer by Mrs. Groh after which Mrs. Tweney made reference to the loss of their teacher, the late Mrs. Cline. The new officers for the coming year were elected as follows: President, Mrs. H. Milks; vice-president, Mrs. George Wilcox; secretary-treasurer, Mrs. B. Greenwood; assistant, Mrs. W. May; the Lookout Committee, Mrs. F. Stevenson, Mrs. George Fair, Mrs. Davidson, Mrs. Stewart and Miss Florence Redfern. Following the business discussion, Mrs. Tweney served lunch assisted by Mrs. Greenwood and Mrs. May. The next meeting will be held at the home of Mrs. George Wilcox, Park Road, on November 7th at 2:30. Visitors are cordially welcome.

The local committee attended a council meeting of the Home and School Clubs of the County of Lincoln at the "Y" in St. Catharines on Tuesday evening. Those in attendance from here were the president, Mrs. Norman Cole; Mrs. F. Stevenson, Mrs. Robinson, Mrs. Pope and Miss Locking. It was decided to postpone the training classes for the executive committees until January.

Mr. Fred Jewon attended the Indian Powwow of McColi Frontenac dealers at the Royal Connaught in Hamilton last Tuesday evening.

Grimsby Beach Sunday School held an open session last Sunday when Mr. Hawkins of Hamilton was present as guest speaker. There were close to seventy-five present. Miss Dorothy Eickmeier rendered a vocal solo which was listened to with much acceptance. The Lounsbury boys gave two excellent duet songs the guitars. The superintendent, Mr. C. Tweney, was in charge, and Mrs. Tweney presided at the piano.

A cordial invitation is extended to the members of Lincoln Loyalist Chapter, to attend the annual Health meet of the Grimsby Women's Institute, being held on Tuesday afternoon next in Trinity Hall at 3 o'clock.

Wedding

MAYER—COOK

The Gospel Tabernacle, Winona, was the scene of a pretty wedding on Saturday afternoon at 3 o'clock when Rev. I. C. Wickware united in marriage Winnifred, daughter of Mr. and Mrs. James H. Cook, and Mr. Carl E. Mayer, son of Mrs. Mayer and the late Mr. L. H. Mayer, all of Winona. Potted plants and autumn flowers decorated the church. Prior to the ceremony, Miss E. Shurley, aunt of the groom, who presided at the organ, and Mr. Neil Miller, violinist, rendered several selections and during the signing of the register the musical selection, "O Promise Me", was played.

The bride, who was given in marriage by her father, was lovely in a gown of white satin, with lace jacket. Her veil of silk net was arranged from a coronet of Bridal Wreath and she carried a bouquet of Killarney Roses. Miss Muriel Cook, sister of the bride, was groomed in pink chiffon, with matching accessories and she carried a bouquet of Briarcliff roses. Assisting the groom was Mr. George Cook of Winona, and the ushers were Messrs. Allan Miller and Charles Gardner.

Following the ceremony, a reception for forty guests was held at the Corner House, Hamilton, when the bride's mother, wearing black sheer crepe trimmed with cut velvet and the groom's mother also in black, received with the young couple.

Mr. and Mrs. Mayer left later on a wedding trip to Peterboro, the bride travelling in a blue frock, blue velvet hat and black fur coat. On their return they will reside at Winona.

I.O.D.E.

Armistice Service

The members of Lincoln Loyalist Chapter, I. O. D. E., are asked to meet in front of the Independent Office on Sunday next at 3 o'clock to march to the cemetery in a body for the purpose of decorating the graves and afterwards return to Moore's Theatre for the memorial service at 4 o'clock.

Literary Meeting

An open Literary meeting will be held under the auspices of Lincoln Loyalist Chapter on Monday, November 22nd, in the Chapter room at 7:45 o'clock. Rev. R. N. Leckie will be the speaker of the evening, and give a paper on "The Curiosity of Literature." Mrs. C. S. Bean will contribute a vocal solo. All those who are interested will be heartily welcomed.

LITERARY EVENING

The A. Y. P. A. of St. Andrew's church held a literary evening last Wednesday night under the direction of Edward Unwin. Miss Helen Lothian gave a very interesting talk on "Authors" dealing particularly with Shakespeare and Miss Patricia McConnell gave a reading from Shakespeare's works. Miss Mary Liddle and Miss Patricia McConnell rendered vocal solos accompanied by Lorne Wilcox. Jack Wilcox gave a paper in keeping with the evening and Jack Applin capped the literary efforts of the evening with a paper on "West of England Authors". Mr. Applin gave a detailed sketch of the country and the history of that country which was the foundation of their literary efforts. Fred Gurney talked on the Coronation and the evening closed with lunch.

PREVIEW ON THE SUNDAY SCHOOL LESSON

By DR. ALVIN E. BELL
(The International Uniform Lesson on the above topic for Nov. 14 is I Timothy, 4:1-16; II Timothy, 2:1-4; the Golden Text being I Timothy, 4:14, "Neglect not the gift that is in thee.")

ST. PAUL, by every right is entitled to give advice to Timothy. On the grounds of age, it is "Paul the aged" advising the "youth"; on the grounds of experience, Paul has spent three years as pastor in Ephesus where Timothy is beginning his ministry; furthermore, Timothy is as a son to Paul spiritually, and as Professor Plummer says, "Timothy might have called himself the disciple whom Paul loved."

Minister a "Good Mixer"
Some folk seem to believe that the chief requisite of a good minister is that he be "a good mixer". On the contrary Paul seems to indicate that there are circumstances in which a good minister must be a good "separator", able to separate false teachers and false teaching from true, and to keep his people separate from the corrupt manner of life taught by such "seducing spirits". He warned Timothy concerning "the hypocrisy of men that speak lies, branded in their own conscience as with a hot iron." He said, "If thou put the brethren in mind of these things, thou shalt be a good minister of Christ Jesus, nourished in the words of faith, and of the good doctrine which thou hast followed until now."

Keeping Spiritually Fit
"Exercise thyself unto godliness," Paul advised, "for bodily exercise is profitable for a little, but godliness is profitable for all things, having promise of the life which now is, and of that which is to come. Faithful is the saying, and worthy of all acceptance." Thus Paul underscores his advice that the young minister keep himself spiritually fit as athletes keep themselves physically fit. The minister must take Christ and his salvation so seriously as to strive desperately to labor zealously for spiritual excellence for himself and for his people: "To this end we have our hope set on the living God, who

is the Saviour of all men, especially them that believe." The salvation of souls is serious business. Let the minister so regard it and strive for effectiveness in it.

Ministerial "Dead Line"
Evidently Paul did not consider the "ministerial dead line" an old man's peril more than a young man's peril. For he urged the youthful Timothy to make sure of his continued growth and development: "Neglect not the gift that is in thee, which was given thee by prophecy, with the laying on of the hands of the presbytery. Be diligent in these things; give thyself wholly to them; that thy progress may be manifest unto all."

ST. ANDREW'S W. A. HOLD AFTERNOON TEA

A delightful afternoon tea was held in the Parish Hall, on Friday afternoon last when the Women's Auxiliary of St. Andrew's Anglican Church had as their guest speaker, Miss Greta Clarke, of Honan, China. The president, Mrs. William Jose, presided and welcomed the guests, many being present from societies of other churches, to whom an invitation had been extended.

Rev. J. Allan Ballard introduced the speaker of the afternoon who gave a most interesting discourse on how the mission was received by the different classes in China. Included in her remarks was an interesting description of a visit with Madame Chiang Kai-Shek. She also alluded to the effect of the war on the young people with whom she works.

A vote of thanks to the speaker was tendered by Miss H. Walsh, following which tea was served by Mrs. Rosebrugh and Mrs. Unwin and her committee.

St. Joseph's R. C. Church
On Sunday, November 14th, at the 11 o'clock mass, Rev. Robert MacDonald, C. S. S. R. will begin a week's mission in St. Joseph's Church. The evening exercises will be at 7:30 on Sunday and throughout the week. Father MacDonald will also conduct a mission in St. Martin's Church, Smithville, the week of Nov. 21st.

St. John's Presbyterian Church
Sunday, November 14th, Rev. I. B. Kaine will commence a series of sermons on "The Healing Power of Christ." These sermons will be preached on Sunday mornings. The first sermon, "The Ministry of Healing," will mention the apparent loss of this power among modern people. In the evening the subject will be "An Innocent Form of Disfigurement" or "The Lady Who Painted Her Face." You are invited to attend these services.

Trinity United Church
Rev. Fred Manning, B.A., of Winona will be the preacher at the morning service in Trinity Church next Sunday. The evening service will be in charge of the minister, Rev. R. B. Ferris, who will take as his theme "The Way to Peace."

Celebrated Its 104th Anniversary

Trinity United Church Special Services And Congregational Supper Largely Attended.

Inspirational messages from leading ministers of the denomination and splendidly effective leadership by a large choir in the musical portion of the Sunday services, culminating on Monday evening with a congregational supper and program which proved a highly enjoyable event, combined to make the 104th anniversary of Trinity United Church an occasion of outstanding interest.

The minister, Rev. Mr. Ferris, officiated.
The special speaker at the morning service was Rev. G. A. Tuer, who spoke on the subject "Dare We Be Christians?"

The evening speaker was Rev. George E. Trimble of Westdale United Church, Hamilton, who gave an inspiring message on the subject "The Christian Message in Prosperity and Adversity."

The choir of the church under the capable leadership of Mr. T. L. Dymond who presided at the organ, sang most effectively. Mrs. H. V. Betzner sang the solo part in the evening anthem most acceptably. The choir was ably assisted by Mr. Walter Black, baritone of Hamilton.

Both the Presbyterian and Baptist Churches withdrew their evening services to permit their members to worship with the United Church congregation, a large representation from these churches being present.

On Monday evening Trinity Hall was the scene of a social gathering of the congregation at which an unusually large number was in attendance. The very appetizing supper served by the members of the Woman's Association, was followed by a delightful program comprising selections by the Grimsby Young Men's Chorus under the leadership of Mr. G. L. Eaton, vocal solos by Mrs. G. Hutchison, soprano, and by Mr. Geo. E. F. Sweet, tenor, of Brantford and humorous readings by Mr. G. L. Eaton, all of which added much to the pleasure of the evening. Cordial greetings from the Baptist Church were brought by Rev. H. Merritt while Rev. Neil Leckie also spoke most appropriately. Rev. I. B. Kaine, minister of the Presbyterian Church who was unable to be present, conveyed his regrets.

Community singing was led by Mr. C. D. Millyard.
Appreciation of the splendid supper and program provided was voiced by Messrs. David Allan and C. S. Bean.

Rev. R. B. Ferris, minister of the church, presided with much acceptance.

Rev. R. B. Ferris, minister of Trinity United Church, preached at Westdale United Church, Hamilton, on Sunday evening last.

IF WINTER COMES
The golden rod is flung across the pastures, and purple asters tell us autumn's here; Soon lacy frosts will sparkle on the stubble, And happy hearth-fires will have double cheer.

Oh, do not think this is the end of summer, Though scarlet maples flaunt across the hills, For after winter's snow will come the springtime Whose warm hands will unlock the icy rills.

Committee For Western Relief Holds Meeting

schools, of 170 tons of canned goods and 50 jars of fruit. The committee desires to express its gratitude to all who co-operated so generously, and to the Niagara Packers who did all the work of loading the cars.

At the meeting on Thursday evening a vote of thanks was extended to the chairman, Mr. Wm. Lothian, and the secretary, Rev. Harvey Merritt, for their work in connection with the undertaking.

The following letter from the director of relief at Claybank, Sask., speaks for itself:

Claybank October 25th, 1937
Mr. Harvey Merritt,
Sec'y Western Relief,
Grimsby, Ont.

My Dear Mr. Merritt:
Your fine car of fruit and vegetables reached us last Friday, October 22nd. It came here in perfect condition, not one item being spoiled. How can we thank you enough for all the wonderful things you sent us? The whole community here is grateful to the splendid people of Grimsby, and it is impossible to express this gratitude

in mere words. If you could have seen the joy, the happiness on all faces when each family received its part. The children were overjoyed, because they had not tasted any fruit for a long time. You sure have brought joy to all the people here, who have been tried so hard during these long years of drouth. We have not had anything this year, never in my life did I see such a complete crop failure.

Will you be kind enough and let all your people know how much we appreciate their fine donations. Grimsby and its splendid people who did us to much good will never be forgotten here. Yesterday, Sunday, we had a special thanksgiving service in church and I urged the people to offer up special prayers for our benefactors. Am sure that many fervent prayers rose up towards heaven, to call on Grimsby and its people God's choicest blessings.

To you also, Mr. Merritt, as Secretary of the Western Relief, I express my thanks, because it must have taken much of your time. We want your fine people to know that we are thankful to them. Will you please help us in this regard? With kindest personal regards, yours very sincerely,
Rev. J. M. Heinrich.

Grimsby High School Wins Rugby Championship

GRIMSBY GRIDDERS DEFEAT HAMILTON COMMERCE BY 9-6

Commerce Lead by 6-0 at Half Time—Grimsby Comes From Behind Fighting After Receiving Many Bad Breaks—McLean Wins Game With 40 Yard Placement

The Grimsby high school grid-ders won their league championship in a torrid struggle at the Civic Stadium in Hamilton on Wednesday afternoon when they out-fought the School of Commerce rugby team to gain a 9-6 victory. It was a perfect rugby day as the two teams trotted on the field and a crowd of close to five hundred students thronged the stadium. Cheers rang across the field as the leaders kept the students in a constant uproar. Commerce gained an early lead in the first half but the Grimsby youngsters kept plugging and finally won out. Highlights of the game were Leo Reise's gathering in a blocked kick and racing for a touchdown. McLean's forty-yard placement to give the locals the lead and the sensational running of Taylor.

Grimsby alternates—Berry, Gibson, Hiltz, Thompson, Foster.
Commerce alternates—Adamson, Buchanan, Murray, Kaplansky, Brown, Badger.

First Quarter
Commerce kicked off with the wind and McLean ran it back to centre field. Bernardo was stopped on a line plunge and fumbled with Commerce recovering on their fifty yard strip. A plunge made three and a forward was grounded. Burns kicked to the Grimsby 15 yard line where two bucks were stopped and Taylor's kick blocked with Commerce recovering on Grimsby's 10. Two end runs were bottled up and then a plunger crossed the line but fumbled with Grimsby recovering. However Bus Reed, the referee, called the play dead and gave Commerce a touch despite vigorous protests from

Grimsby. Commerce failed to convert. Commerce 5, Grimsby 0.

Second Quarter
McLean hurled a forward to Taylor that was good for 45 yards and took the play to the Commerce 20. Two bucks were stopped for no gain and Grimsby tried a forward from a fake placement formation that Pettit just failed to hold. It was Commerce's ball on their 25 and the Grimsby rally was squelched. A plunge gained five and Commerce kicked to centre field. Two Grimsby bucks made yards but, after two more downs McLean recovered but Commerce was given the ball on Grimsby's 40. Successive plunges by Commerce worked the ball down to the 15 where they fumbled with Grimsby recovering. Taylor kicked out of danger to his 50. Commerce again marched down the field to Grimsby's 10 where an attempted placement went for one point to make the score 6-0 for Commerce. A quick forward on the first down by Taylor was grounded and Bernardo made 9 yards through centre. Taylor kicked to his 45 where two Commerce end runs were stopped as the half time whistle sounded. Commerce 6, Grimsby 0.

Third Quarter
Grimsby kicked off to the Commerce 25 where two bucks were stopped. Bernardo broke through to block the kick and Reise gathered in the loose ball and went over for a touchdown that was not converted. Commerce 6, Grimsby 5.
Commerce kicked off to the Grimsby 15 where two bucks were bottled up and Taylor kicked to centre field. Commerce made yards but fumbled on the next down and Grimsby recovered but Reed ruled that the play was dead. Burns kicked over the Grimsby line to Taylor who ran it out after momentarily fumbling. Taylor kicked and Commerce fumbled. Grimsby recovering at middlefield. Loud ran around the end for 20 yards to take the ball into Commerce territory. Grimsby started to march up the field and reached the 8 yard line where they were stopped. Taylor kicking a single to tie the score at 6 all. Third quarter, score, Commerce 6, Grimsby 6.

Fourth Quarter
Dominic plunged from his own 25 for eight yards, another buck failed to make yards and a bad snap gave Grimsby the ball on the Commerce 30. Two bucks made eight and McLean lifted a perfect placement between the uprights and against the wind to give Grimsby the lead by the score of 9-6, which they held at the end of the game.

PRACTICE HOURS

Ronnie Russ, the manager of the Grimsby Beach Team in the O.R.H.A. informs us that he has secured the following practice hours for his team: Tuesday, Nov. 16, 7:30 to 8 p.m.; Thurs. Nov. 13, 9 to 9:30 p.m.

HOCKEY PLAYERS APPLIED FOR REINSTATEMENT

Nearly a score of hockey players, who have played in professional ranks, have applied for reinstatement as amateurs. Most of those wishing reinstatement are veterans, but some are youngsters who have either retired for personal reasons or could not make the grade. The most outstanding of those wanting their amateur cards back are the Bourcier brothers, Jean-Louis, LEFT, and Conrad, RIGHT, his younger brother, who both played for Montreal Canadiens. Two other well-known players who want to return to pure ranks are Harold Starr, LEFT, circle, of Ottawa, and Bill Gill, RIGHT circle of Moncton.

SPORTS AND SPORTSIGHT

IF IT'S A BOUQUET OR A BRICKBAT THAT'S COMING TO YOU — YOU'LL GET IT

By J. ORLON 'BONES' LIVINGSTON, Independent Sportologist

STRIKE UP THE BAND It will be Old Home Week at the local arena when the Peach Kings take the ice for the first practice. What with Old Pop McVicar, Pud Reid and Artie Clark out there on the blades, and Old Tom Warner yodeling his battle song, "Peach Kings Never Die", infour octaves, from the sidelines. Too bad that Linguistic Jerry Carso couldn't be out there too this winter. Speaking of Clarke, Bunny Jorganson, in the Toronto Telegram, writes as follows: "One of the hardest hitting wing players in the Canadian Pro Hockey League, has been reinstated to play amateur hockey. He will line up with the Grimsby intermediates. Clark performed with much success for the famous millionaire team of this city. He could readily hand out the body-check while breezing up and down his wing position. Here's wishing "Little Dynamite" the best of good breaks and luck in his attempted comeback as an amateur."

THEY CAN'T TAKE IT After playing in 600 consecutive games in pro. hockey, Murray Murdoch, has retired to the minors, for a season at least. In his retiring speech to the press, he said in part: "The modern game is not like the olden one, by a long shot. In the golden past he boys went for 60 minutes and even 10 years ago they had but 8 or 10 on the roster. Then nothing but a broken limb kept you off the ice. Now, it is 3 minutes or so, with twice the number of men and a cold is enough to bench the boys. In short, they're becoming "saified."—Truer words never were spoken, and what he says regarding the pros. applies equally as well to the amateurs."

RANDOM RANTS AND RUMORS It won be long until the Guessperts in all the the hockey leagues will be in full tilt. . . . Bill Van Kuren, of the Dunnville Gazette, takes a shot on goal with a smart idea. He suggests that a statistic be appointed for the local group, and a complete record kept of each player. He illustrates his point with the statement that Soggy Green of Dunnville was the leading scorer in this group last season. It will be "did" Bill, for Jimmy Whyte and I are not for it. . . . At last, Jimmy Whyte admits, in a roundabout way, that "borold" will ice a strong team. . . . One pleasing feature about the resumption of work on the new highway is, that, Sandy MacDonald Johnny Walker MacKay, the golden throated orator, of the Dominion Construction Co., will be in our midst this hockey semester. . . . Leo Reise has 22 candidates for his M-O team working out at Chatham. . . . Smithville Imps will play O.H.A. in the back country group with Cayug, etc., and will play their home games on Dunnville ice—IF, there is any ice. . . . Heaven help the poor linotype operators who handle Kitchener hockey reports. Here is a sample of some of the players names—Herchenratter, Fehrenbach, Bindernagel, Tachirhardt. Ka-cho-o-o-o. . . . Did you notice that Marv. Wentworth teamed up with King Clancy in the Howie Morenz benefit game. . . . 15 years ago now, Newswy Lalonde was traded to Saskatoon by Canadiens for Auriel Jollat, and the little flyright reported for duty in Grimsby, where Canadiens were in training. Billy Boucher and Sylvia Mantha also joined the team for the first tie. . . . 14 years ago now—1923—The Greatest of Them All, Howie Morenz reported to the Canadiens here. He had been signed to a contract the previous 12th of July by Cecil Hart and Leslie J. Farrell. Saskatoon Shells were also training here. Two big league teams in a bush league town. Some record. But we weren't a bush league outfit then. . . . No, Jimmy, there will not be a Junior O.H.A. team in Grimsby.

There will be plenty of tobacco in a local hockey group this winter, or I miss my guess. Frank Carroll, coach of the champion Orillia Terriers lacrosse team, and who has ached over a dozen amateur and professional hockey teams to championships during the past 25 years, has been appointed coach of the St. Catharines Macs. Look out for fire and brimstone. . . . For the first time in the history of the O.H.A. a United States team will play in the association this winter. The O.R.H.A. Wainfleet league has joined O.H.A. as a "B" group, and a team from Buffalo, known as the Nationals, will be a member. Times have changed. 10 years ago now, I was working for a firm in Buffalo that was deeply interested in hockey. We moved heaven and earth to try and get the O.H.A. to let us put a Buffalo team in the Senior series, but the two Bills—Fry and Witt—turned thumbs down on the idea. Now a Yankee team gets in. . . . Sympathy is extended to Frank Thompson, of Beamsville, President of the Fruit Belt Soft Ball League, on the death of his father in Bradford on Sunday. . . . Don't believe all you hear about Smithville Imps not going to release Russ Tufford. Imps have no more claim on Tufford's services than I have on the throne of England. As a matter of fact Kings could have taken the iron moulder away from the Imps last winter, under residence rules, if they had so desired.

Peach Pits Appoint Coach

Hold Organization Meeting on Tuesday Night — Les Farrell Speaks to Players.

The Grimsby Juvenile Hockey Club held an organization meeting on Tuesday night with twenty young hockeyists present. Les Farrell was appointed coach, taking the place of Leo Reise who has departed for Chatham. William Ryan was appointed president, F. T. Shoenbridge as secretary-treasurer and Ernie Mason as manager.

It was confirmed that the Dominion Construction Company is purchasing sweaters for the team. The sweaters will be on the same style as the old Peach King sweaters of 1925. They are white and a red band across the middle and black number on the back from one to seventeen, excluding thirteen. The 20th Century Club will be in charge of ticket sales and, in general, sponsor the team.

Les Farrell spoke to the players and informed them of the decision of the officials to enter the team in the Juvenile section. In his talk coach Farrell stressed the importance of backchecking by the forwards in order to put up a strong defense against opposition attacks. He stated that strict training rules would be in force, no smoking, no late hours and as much training as possible. In the team's records of games as much credit will be given for assists as for goals and Les Farrell stressed strongly that he wanted his team to be unselfish with the puck and always pass to a man in a better position.

Coach Farrell asked the players to stick together for two years so that they would be able to step up into Junior ranks as a formidable team. Other officers of the club made short addresses backing up the words of Les Farrell.

Grimsby Bowlers Win By One Point

Bowlers Compete on First Church Greens — Defeat Hamilton Squad.

The Grimsby bowlers scored a close victory over the Richard Hamilton bowlers on the greens of the First United Church last Friday night in the regular league fixture. The Hamilton bowlers started off with a rush and looked to have an easy victory within their grasp. However the Peach Kings rallied to tie the score at 19 all at the end of fourteen ends. Going into the last end the Grimsby team was two up and managed to stave off a last minute rally and win by one point.

Chatham Pleased With Leo Reise

Probability That He May Take Charge School Sports.

Reports from Chatham indicate that Leo Reise is doing alright by himself in his new position as coach of the Chatham Maroons. Reise has twenty players out to practise and gets out on the ice with them to do his coaching chores. His Chatham Maroons opened the season last night hooking up with the Windsor entry in Windsor.

At a meeting of the Chatham Arena Company recently Mr. R. L. Bevan, chairman of the Chatham Hockey Council, recommended Mr. Reise one hundred per cent. and commented on the probability of having the new coach become a year-round leader in Chatham sports among the youth in the elementary and secondary schools.

Johnny Dyck, of Vineland, the sensational young player on last year's Peach Pits, is at O. A. C. Guelph, trying out for the Junior O.H.A. team.

ICE!

It is expected that ice will be available at the arena by Saturday night. If there is ice for skating on Saturday an announcement will be made on the bulletin board.

Weekly Garden-Graph

Written By
DEAN HALLIDAY

Potting calla lilies

Calla Lily bulbs can be obtained now and they should be potted immediately. If potting only one bulb use a six-inch pot. Potting three bulbs in a nine-inch pot is very effective.

A good potting mixture to use is equal parts of good loam, sand and leaf mold. To this add either some well rotted cow manure or bone-meal.

As shown in this Garden-Graph, let the growing tip of the bulb protrude above the soil. Have the soil at least one inch below the upper rim of the flower pot, so that later if surface roots appear they can be covered with soil.

After potting, place the bulbs in a cool, semi-dark room and water very little for several weeks. Then as the leaves start growing, place the pots in a light, warm room and give liberal amounts of water.

As soon as the flower stalks appear, feed with liquid manure about once a week, but do this only after they have been well watered.

Western Farmer Comes To Grimsby

Maurice Berry Settles In Grimsby District — Formerly of Claire, Sask.

The Grimsby district is now the home of another Western farmer. Maurice Berry, who has a six hundred and fifty acre farm bordering a lake near Claire, Saskatchewan, has now established himself on the farm of his father between North Grimsby and South Grimsby just south of Grassies. Mr. Berry arrived in Grimsby lately having driven over three thousand miles from his former home. Mr. Berry brought all his farm equipment with him in four box cars. He has twenty-six horses and several head of cattle. Many of his cattle were sold in Winnipeg.

Mr. Berry's family accompanied him to his new home.

SMITHVILLE DEPOT

The Smithville depot of the T. H. & B. railway is undergoing a fall house-cleaning. New platforms have been laid down and a runway made for the Smithville-Dunnville bus service. The old building has been re-modeled and re-decorated both on the inside and outside. A new front entrance has been constructed and the old east entrance closed. The floors of the baggage room and express room have been raised. Everything is now in readiness for the Christmas rush.

KEEN COMPETITION FEATURES SALTFLUET PLOWING MATCHES

Peninsula Notes

The council and parks board of Fort Erie are co-operating in building a \$400 dressing room at the Oakes Park athletic field.

The St. Catharines fire loss continues to remain at a very low figure. During October the loss amounted to less than \$100 on 26 alarms.

Irving Freeman was elected president of the St. Catharines C. C. F. Club at their last meeting.

The St. Catharines works committee will purchase a gasoline operated garbage collection vehicle.

Niagara-on-the-Lake will vote on the appointment of a town manager.

A new safety fence has been erected at the bad angle around the old Fort George by the Niagara Parks Commission.

Haldimand Old Timers living in Saskatchewan are holding a reunion on Saturday.

The Haldimand Plowing Match was a huge success with forty-seven plowmen and fifteen tractors in the field. About two thousand spectators watched the competition.

St. Catharines will launch a city-wide campaign to provide odd jobs for the unemployed.

Thorold is in the throes of a wave of street light breaking by vandals.

Welland tax collections are up as compared to last year. Collections so far this year amount to \$102,420.56 as compared to \$99,246.22 up to this point last year.

FARMERS GOOD LUCK

A grape crop purchaser was around in this district last week and brought joy to the hearts of many farmers. Several farmers, believing that the frost had ruined their grape crop, were preparing to dump them when the buyer showed up and offered them forty dollars a ton. Needless to say the farmers were only too glad to sell.

CORRECTION

In the write-up of the Township of North Grimsby audit report last week it was reported that Clerk Allan had stated that the county rate for 1936 had been paid with interest. This was not correct. It was the 1935 county rate and interest that had been paid. The township still owes the 1936 county rate and interest.

NEW HYDRO HEAD?

DR. T. H. HOGG, chief hydraulic engineer of the Ontario Hydro Commission, who is rumored in political circles as likely being appointed chairman of the commission should the Ontario cabinet take further reorganization steps. Suggested reason for the possible move is that Premier Hepburn wishes to take the Hydro out of politics.

GOOD GRAPE CROP

Now that the grape crop is practically all harvested, the yield has exceeded the expectations of practically all the growers throughout the district. A good average yield is three to four tons per acre but Eric Deuxberry claims that he picked over seven tons per acre from a five-acre vineyard. J. F. Gray reports having taken twenty-four tons from four acres and Ellis Jacobs had a similar average yield from a ten acre vineyard on the mountain top.

BEAMSVILLE HYDRO COMMISSION

Commencing on Nov. 1st, hydro in Beamsville is under a local commission which will be known as the Beamsville Hydro Electric Commission. It was formerly operated directly by the Ontario Commission. Until nomination day, the hydro will be controlled by the Beamsville council. Beginning the first of the year a commission will be nominated.

The Ontario Commission took final readings and closed its books on October 31st. Final details have not as yet been completed.

INCREASED EXPORTS OF CANADIAN APPLES

The 1937 seasonal movement of Canadian apples to the United Kingdom markets up to October 7 amounted to 336,180 barrels and 211,455 boxes, compared with 140,335 barrels and 207,140 boxes during the previous season. This represents an increase of 140 per cent. in barrels and two per cent. in boxes. A large increase is also noted in the export of apples from the United States to the British markets, this season's export consisting of 131,211 barrels and 160,161 boxes, compared with 39,603 barrels and 222,378 boxes. Although the United States exports are considerably smaller in bulk than the 329 per cent. in barrels, but a decrease of 28 per cent. in boxes.

A cheese weighing six tons was exhibited at the 1937 New York state fair.

WATER COMMISSION INFORMED HIGHWAY TO INSTALL ALL PIPES

(Continued from page 1)

at the expense of his company. The cost of the stoker would be \$360.

Mr. Wells commented that the commission could buy a boiler for within fifty dollars of that price and then only use fifteen tons of coal a year.

Mr. Sullivan expressed the opinion that if the commission could get an iron clad guarantee that a new boiler would reduce the fuel consumption of the pump house to fifteen tons then that would be the best buy.

Mr. Hunter declared that he could reduce the cost of heating the pump house by \$100 just by good stoking.

Mr. Sullivan stressed the point that the system of radiation in the pump house was antiquated as well as the boiler. "You cannot take a new boiler and expect to get perfect results with an antiquated system," Mr. Sullivan said. Mr. Sullivan was of the opinion that much of the heating trouble at the pump house was due to the bad exposure of the building. It has cold water surfaces on two sides and besides there is a tremendous quantity of water in the station itself at a low temperature. This bad exposure causes condensation in the pipes on the cold walls which greatly cuts down the efficiency of the system.

Mr. Hunter reported that he had been advised by an independent Toronto engineer that if he wanted to cut down the fuel consumption then the first thing to do was to cut down the size of the fire pot.

William Smith stated that the present boiler had all been refueled in the last five years. The boiler is seven feet long and eleven feet in circumference. There are ninety-six two-inch tubes each seven feet long in the boiler.

Mr. Wells commented that if the commission mulled through many more of these different opinions about the heating trouble at the pumping plant then they should get the right answer.

It was finally decided that for the present the idea as forwarded by Mr. Hunter would be tried out. That is to cut down the size of the fire pot and to place a steel plate up near the flues so as to cut down the amount of heat lost through radiation.

The commission then adjourned to go into committee.

Spectacular Fire Of Godden's Barn

Mysterious Blaze Occurred On Saturday Night — Grimsby Fire Department Responds

About eleven o'clock on Saturday night a mysterious blaze completely rased the barn of Roy Godden on the Ridge Road. The loss, which was estimated by officials at approximately \$500, included three pigs and several pieces of farm equipment.

A telephone call from the home of Robert Neale informed the fire department of the blaze but, fanned by a high wind, the flames spread with such rapidity that in a few minutes the whole structure was on fire. The high wind blew the sparks directly onto the barn owned by Robert Neale and on two or three occasions this roof caught fire. The fire department was hindered by the lack of water and twice had to return to the town to replenish the supply in the hundred-gallon tank for the booster.

Hundreds of motorists, attracted by the flames and the lurid glow in the sky, blocked the road in the vicinity of the barn. Officials have not as yet discovered the cause of the blaze.
